Dear Mr. Avila,

Enclosed is my REPLY TO OFFICE ACTION 10/669,407 along with a check for \$72. I believe that because I have 28 paragraphs in my rewritten claims I owe \$9 for eight claims beyond the twenty allowed.

I spoke with you on the phone yesterday and you explained that because your correspondence was not mailed until June 15<sup>th</sup> I could send my response today without penalty. If my calculations are incorrect for any reason, I will be happy to send the additional amount needed.

Thank you,

Eric Bleicken
